

REPL International – Group Environmental Policy

Mission Statement

REPL recognises that it has a responsibility to the environment beyond just the legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points. We will encourage our customers, suppliers and other stakeholders to do the same.

Responsibility

All the the Directors and Senior Managers have responsibility for ensuring that this environmental policy is implemented. However, all employees have a responsibility in their area to ensure that the aims and objectives of the policy are met , and maintained.

Policy Aims

We will ensure to:

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce all identified environmental impacts
- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.

Specific examples of the areas we will monitor and actively implement are listed on the second page of this policy.
